Bible Story

Timothy and Tabitha
(1 Timothy 4:12; Acts 9:36-39)

Remember This

"I am fearfully and
wonderfully made."
Psalm 139:14, NIV

Say This

Who made you?
God made me!

Activity

Sock Match

What You Need

Six (or more) pairs of socks in different colors

What You Do

Place one of each pair of socks around the room. Place the other socks in a pile in the middle of the room. Pick up one sock out of the pile and ask your child to find the match and bring it to you. Place the pair together. Pick up a second sock and repeat. Continue until all of the socks are matched.

What You Say

"Oh no! All of these socks have lost their match. I need your help! Can you help me find the matches? (Hold up one sock.) Look at this sock. Look around the room and see if you can find the match.

"You all are so good at helping! Today we learned about a lady named Tabitha. She loved God and helped by making clothes for people who needed them. God made us to help. It doesn't matter if we are a grown-up or a kid, we can help. God made you and loves you so much. **Who made you? God made me.**"

Prayer

"Dear God, helping people feels so good. Thank You for making us all to be helpers, no matter how old or young we are. Help us to look for ways we can help and then do it, just like Tabitha did. We love You. In Jesus' name, amen."

Week Five

Timothy 4:12; Acts 9:36-39

Tabitha shows us that God made us to help others. She made clothes for people who needed them.

Say This

Who made you? *God made me.*

Do This

Cuddle Time

Cuddle with your child this month and pray, "Dear God, we are learning a lot about how all people are special because You made all people. God, when You look at every person in the whole wide world, You see someone You made, and that makes them very important. Help us to see people the way You see people, so we can love people the way You love people. We love You, God. In Jesus' name, amen."

When kids begin to understand they are made in the image of God, they tend to look at the world and themselves in a different way.
