**Theme**

# Indescribable: Your Creator has No Limits

Creativity is imagining what you could do because you were made in God's image.

**REMEMBER THIS**

"Lord, you are great.  
You are really worthy of praise.  
No one can completely understand how great you are."  
Psalm 145:3, NIRV

**Week Five**

**Salt and Light**  
**Matthew 5:13-16**

**Ask This**

Who first told you about God's story?

**Do This**

**Bed Time**

**S**howing God's love and sharing His story can require a little creativity! Think of people in your lives or in your community who may need a little light right now. What are some creative ways you could do good and show them God's love? Ask God to show you the places where He wants you to shine His light. Thank Him for first loving us so we're able to show others that love too!

## Discussion Questions

- What do you think is the most important thing you can do in order to use your talents, mind, and creativity to point others to God?
- What might you need to do differently if you thought of yourself as light and salt to those around you every day?
- Why is it important for those who follow Jesus to tell others about Him? [Make it Personal] (Tell kids about how you first learned about Jesus. Who told you the story or brought you to church?)
- What makes it hard to tell others about Jesus? What do we worry will happen if we tell people about Jesus? How can we overcome our fears?

**When kids begin to understand they are made in the image of God, they tend to look at the world and themselves in a different way.**
