They are there to help  
when trouble comes."

## Discussion Questions

- What makes someone a good friend?
- Why do we sometimes put up with bad friends or choose to be friends with someone who isn't a good friend back to us?
- What makes choosing friends carefully so difficult?
- What kind of friend are you? What kind of friend do you want to be?

**What if this year  
our kids knew they  
were good enough  
to be who they  
actually are, not  
some imagined or  
idealistic version  
of themselves?**
