Phoenix "I am smart, charming, independent, resilient, caring,

energetic and will tell you exactly what I want. When asked what she wants to be when she grows up, she stated "I want to be a teacher and a doctor."

Dancing, board games (Candyland), basketball, I LIKE: playing with my dolls. Favorite sports team is the Phoenix, Suns since its her name. Favorite movies are "Frozen and Turning Red." Favorite thing about school is making new friends. Favorite thing about the summer is spending time with her family. Favorite outdoor activities are playing with bubbles and watering the plants.

I NEED:

Family with a Mommy and Daddy, brothers and Sisters and really would like to have a pet.
