

MINISTRY PARTNERS:

Local/Domestic

Acts 6: Marietta

- *For volunteers to have grace and truth filled conversations with everyone who comes to Acts 6
- *For Acts 6 to be a place where people can come and be heard and seen in their time of need
- *Discernment and wisdom for how to best steward our resources going forward as more people are coming to Acts 6 than ever before
- *For more volunteers. With more people coming through our doors, having more volunteers would help keep the ministry focused on connection and conversation with applicants

Angie Smith: Mission 1:27 in Marietta

- *Pray it would be clear to all who are engaged with us - we have a reason for thanksgiving, celebration and hope because of Jesus. May this power transform our lives, so that we might live victoriously, no matter what the circumstances.
- *God to send mission minded individuals to join our team - volunteers and needed staff
- *Our ministry programs would be characterized by joy
- *God's leading and directing for new ministry programs. May we have His Vision concerning all that we do.

Scott & Tina Williford: Delk Rd in Marietta

- *Please pray that, in Jesus' name, the enemy's voice would be silenced in our friends' minds, and all of his lies, insinuations, and accusations would be replaced with Truth.
- *Please pray for our friends who have been hurt/disillusioned by the Church - especially those who have 'served' clergy.
- *Please pray that God the Father would re-parent our ladies and equip them to be the moms their children need them to be.
- *Please pray that God would protect our young friends from seeing, hearing, and experiencing things that no one ever should, and that any memories they have of these events would be erased.

Russell and Megan Marshall:

Dwell Apartments in Marietta

*Our boy's Moses and Ozzy are young and I'm sure years away from deciding whether or not they will choose to walk through life with Christ. However, we would love prayer for them, as we seek to raise them up in the presence and knowledge of God. May our Lord make himself known to Moses and Ozzy, and may we be given the grace needed to lead our children in the way that leads to life.

*The Prodigal Son's of Dwell:

Many in our neighborhood would confess that they have put their faith and trust in Jesus, but have also wondered from the fold. Please pray that these would begin to hunger and thirst for Christ once more: Sabrina, Rhonda, Candy, Jay, Ron, Clarisa, Celina, Soledad, Stephen, Zacharie...

*The Lost sheep of Dwell:

There are also many in our neighborhood that have never known the forgiveness and love of Christ, and yet label themselves as "Christians" simply based on cultural expectations. Please pray that these and all those that knowingly/actively reject Christ would come to know the full and fulfilling life that is found in relationship with God: Lashanda, Xavier, Cristal, Darius, Jamie, Jonathan, Malissa, Hasan, Marium, Rina, Jessica, Dj, Dennis, Patricia...

Eliza Lemmon: UGA, Athens GA

*Pray for receptiveness to the Gospel of Jesus.

There are students who are open to hearing about God on UGA's campus. Please pray that Cru at UGA staff and other campus ministry staff would encounter spiritually interested students on campus.

*Pray for community for college students who feel isolated and alone in their faith- that they would get connected to campus ministry staff and Bible believing students to feel encouraged and strong in their faith (you can pray for Sarah specifically)

*God is alive and active on UGA's campus and I am honored to see Him at work in the hearts and lives of students.

Adam and Michelle: New Orleans

We are ministering in a multi-ethnic environment in New Orleans, LA. Pray for us as we seek to minister locally as well as help send the entire Church to the nations.

Also, we are praying for at least one prayer team to come to New Orleans in 2023.

Grace Brannen: Zera House

*Pray we could find staff for Zera House

*For fundraising success for Zera House

*Personal health concerns to be figured out

*Continued unity and strength for our team

Jason and Felicia Winkle: Memphis

*Pray for a few of our Ukrainian cancer families:

Natalia, Maria, Roksolona, and Victoriia. They are all moms of St. Jude kiddos who were evacuated from Kyiv

*Pray for a family of asylum seekers from Venezuela: Jose, Maria, and their little son Emiliano. They are from a catholic background and religion is a tradition, but not experienced deeply

*Overall, pray for Memphis. There was a lot of visible violence over the summer. Just a lot broken in society here.

First Care Women's Clinic: Sydney Fortier

*Opening an Austell Clinic-

-Pray that local Austell churches will partner to support the families in their community

-Pray that we will find a building soon!

*Supporting Women Financially

- Many of the women we serve are in need of financial support to cover basic necessities like water, power and rent during their pregnancies and early months after their child is born while they are unable to work. Pray that God would bring individuals and churches to increase financial support to help these women.

*Reaching Abortion Minded Women Online

- Despite the efforts of "big tech" to minimize our online reach and articles against pro-life clinics, please pray that these would not hinder women from finding us and coming for free resources.
