

MINISTRY PARTNERS:

Overseas

live in the States but travel overseas with their ministry

****Michael Mozley: Catalyst for Africa**

Pray that our training will encourage and establish great measures of effective ministry training. We have seen God do amazing things in our conferences with the African leaders. It truly transforms the way they see themselves, their family, and their purpose in ministry

****Susan Kelly: Tanzania**

There are 2.1 million lost sheep in the 2 specific regions we're working in. They worship and follow other gods and idols. Pray they will come to know the true Good Shepherd and not be deceived by the wolves in sheep's clothing and bad shepherds that lead them astray and away from the knowledge of our true Savior.

Four of our dear friends in these areas of Tanzania you can pray for by name are: Juma, Mohammed, Joseph and Mwanamisha.

They are people of influence in their communities who, if they come to know and receive Jesus, it will open a path for acceptance in their families and villages

****Bekah Baxter: Chosen Vessels**

*For workers and missionaries who need care and support to find us and be able to connect with us
*For the Lord to provide the resources necessary to continue to provide essential care for workers— staff, volunteers, finances

*For the workers that we partner with— that the Lord would supply for all their needs— physical, financial, spiritual, emotional, relational, etc.
*For our current staff for wisdom and discernment and for the Lord to multiply our team

****Tom and Leigh Ann: Southeast Asia**

*Pray that we are able transition well into our home and our new role as we begin focusing on reaching unreached people in Asia

*Tom has two trips coming up to two different countries between Feb and April. Pray that we will develop strong relationships with the local believers in these countries that we will be working with to reach the unreached. These countries have unique security issues that we will need to navigate in order to "stay under the radar". Pray that we will be invisible to the right people and visible and anointed to those we are seeking to reach.

*We need to raise new consistent prayer support and financial support as we enter this new season of going to the nations. Pray that God will lay this ministry on the hearts of those who are to partner with us.

H and T: South Asia

Primarily working with Hindus and Muslims-

*For strength, joy, maturity, and effectiveness for the small amount of existing believers in this city

*For those in our office that have a new faith journey, or a particularly strong curiosity

*For a way for our employees (or anyone at all) to be able to connect with an authentic local believing body outside our office (this is kind of happening; we hope to see more)

*For the two closest local relationships that I have, both Muslim women

*Generally, for hope to prevail, for darkness to be held back so that the gospel could go forth in an extremely difficult place

Josh and Mandy: Mavi church in Asia Minor

*For the church's leadership and growth of the church

*For the theology conference we are planning for the spring

*For our family's health and homeschooling the children (Havva, Zachie and Caleb) while serving in ministry

Justin and Elizabeth: Asia Minor

* Pray for the Holy Spirit to move in mighty and miraculous ways throughout Tky, especially in hard soil of the North East

*Pray for the roots of Islam and sin to shrivel up and die out, for the soil to be turned over, for seeds of the Gospel to take root in fertile soil, and for there to be a harvest of revival and redemption.

*Pray for a great awakening- that people in our region would not be satisfied with their current states, that apathy would give way to urgency, that people's hearts would churn within them and cause them to be bold and courageous in seeking Truth

*Pray for ears to hear, eyes to see, and hearts that yearn for the Father for: Yasemin, Gülay, Arzu, Özlem, Taha, Emre, Hami, Mevlüde, Ayşe, Ayşegül, Haluk, Murat, Hikmet, Oya, Uygun, Umran, Okan, Emin, Volkan, Hakan, Ayhan, Sezai, Erdoğan, Ozan, Köksal, Mesut, Onur, Mehmet, and Ertan

Ben and Cristina Hartman: Germany

Pray we would see women and children (and their husbands) come to know Jesus through our weekly cafe for Muslim/refugee women.

God has established SO many relationships and connections here and we know he is using them, but/and we want to see them come to know Jesus!

God is really answering prayers for Ben's lunch conversations at his office. Pray that his coworkers would see the truth of Jesus through these times.

Pray for salvation for our neighbors/village (Tannenkirch), all of our Muslim contacts through relationship and various tea times and cafe times with Biblical Storytelling, gospel conversations and for Ben's relationships at work (the company is called Unblu).

Geoff and Sherry Maddock: Australia

*Geoff and his work with a Vietnamese pastor, a possible new project in the organization

*Geoff's trip to Indonesia in February

*Sherry's growing relationship to a vocation of writing/communicating, finding her voice

*Sherry's trip to the U.S. to meet with a friend with an initiative of generosity and giving

*For refugee and asylum seeker friends who are in various stages of settling, making life work in Australia
