

FOSTER OR ADOPT! GEORGIA'S CHILDREN NEED YOU!!!

We currently have 469 children in foster care and 103 partnership and adoptive foster homes in Cobb County. **We need more foster parents for teens and large sibling groups.**

If you are interested in becoming a foster or adoptive family, please contact Jalisa Henderson 404-276-7026 or our statewide contact at 1-877-423-4746 (Press Option 2). Monthly virtual information sessions are held to also get more information. Details and the schedule can be found at <http://fostergeorgia.com/>

It takes a village and we need you! If you are unable to foster or adopt at this time, you can still make a difference in the life of a child. Our families need your support too.
