

HEBREWS 2:5-13

Jesus as Son of God - superior over all things

- Will inherit all that has been made
- All things were made through Him
- Radiance of God's glory and exact representation of His being
- Sustains all things by His word
- Death provides for purification of our sins
- Seated at right hand of God

Father has spoken to us through Son

- Given a message of a great salvation (Gospel)
- We need to make sure we stay tethered to that message/don't neglect, ignore or drift away from it

HEBREWS 2:5-13

Doctrine of Incarnation

- Key belief; what we celebrate at Christmas
- 2 natures in 1 man
- Jesus is both 100% God and 100% human
 - all that it means to be God resides in Jesus *and* all that it means to be human resides in Jesus (with exception of sin nature)
